

NATIONAL CONFERENCE
On
RECENT TRENDS IN
ENGINEERING SCIENCE AND
TECHNOLOGY
(NCRTEST-22)
23rd JUNE 2022

Organized by
Dept. of Civil Engineering,
CBIT, Kolar

REGISTRATION FORM

Name(s) (Block Letters):-----

Designation: -----

Qualification: -----

Department: -----

Name of the College/Industry: -----

Address for Communication: -----

Phone: -----

Email: -----

Registration fee Payment through DD:

Bank Name: -----

A/C Number: -----

A/C Name: -----

IFSC Code: -----

MICR Code: -----

Signature of the
Participant

Signature of the
Principal / HOD

Objective of the National Conference:

To bring the awareness about the advances and innovative developments in Civil Engineering Constructions to all the Stakeholders.

This conference also aims at bringing together academicians, researchers, scientists, engineers and industry experts to deliberate the advancements in Civil Engineering construction. India being a developing country, there is an ample scope for infrastructure developments which augers well for construction industry and innovative practices.

Topics of the National Conference

To cover on Emerging Trends on the following:

- Trends in Concrete technology.
- Advancement in Transportation Engineering.
- Application of Software's in Structural Engineering.
- Geo-Environmental Engineering
- Application of RS and GIS Softwares in the field of water resource Engg.
- Groundwater management.

Call For Papers

Prospective authors from academics, Research Scholars, PG & UG students of Civil Engineering and related fields from various parts of the country are invited to participate.

Paper Submission

NCRTEST-22 invites the authors to submit a soft copy of full length paper in standards IEEE double column format. The paper should reflect title and affiliation of authors with their e-mail id. All contribution should be of high quality, original and not published elsewhere or submitted for publication.

Please submit soft copies to:

Email ID:conference2018cbt@gmail.com

For further details may contact

Er. Narayanaswamy KA
Asst. Professor, Dept. of Civil Engg.
Ph: 8217616922
Email: nswamy693@gmail.com

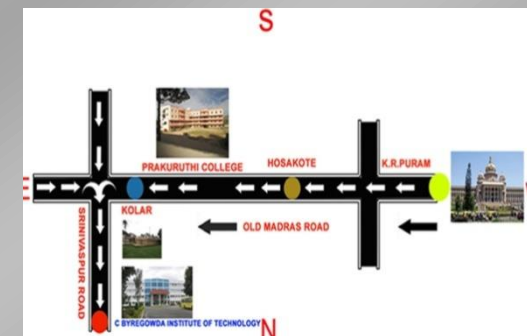

Registration Fees:

UG/PG Students: Rs.500/-
Faculty/Research Scholars: Rs.700/-
Industry persons: Rs.1000/-

Important Dates

Date of Conference	23-06-2022
Last Date to Submit Full Paper	20-06-2022
Notification of Acceptance	21-06-2022
Confirmation of Registration by Author	20-06-2022
Camera Ready paper	21-06-2022

Venue: Seminar Hall, CIVIL BLOCK
[Route Map](#)

CHIEF PATRONS

Dr. A Prabhakara Reddy, Chairman
Er. V Krishna Reddy, Secretary

CONVENER PATRON

Dr. Sreerama Reddy G M
Principal, CBIT, Kolar

CONVENER

Dr. Shivaraju R
Prof & Head
Department of Civil Engineering, CBIT, Kolar

ADVISORY COMMITTEE

1. Dr. K V Manoj Krishna,
Govt. Engineering College, Hassan
2. Dr. G Narayana, SJCIT, CB PUR.

TECHNICAL COMMITTEE

1. Dr. C. S. M. V. Prasad, SJBIT, Bengaluru.
2. Dr. Brahmanand, Brindavan College of Engg, Bengaluru.

ORGANIZING COMMITTEE

Er. Vedavathi R P, Asst. Prof
Er. Narayana swamy K A, Asst. Prof
Er. Bhargava G, Asst. Prof
Er. Smitha R Asst. Prof
Er. Arun Kumar P, Asst. Prof
Er. Thanuja K M Asst. Prof

About the Institute

C. Byregowda Institute of Technology (CBIT), established in the year 2009 is approved by AICTE, New Delhi and is affiliated to Visvesvaraya Technology University (VTU), Belagavi, Karnataka. The institute offers both UG & PG courses Electronics & Communications, Mechanical, Civil and Computer science engineering branches. All the Departments have well qualified staff and well equipped laboratories, library, Computing & Sports Facilities along with other amenities.

The College is Located at a distance of 63KM from Bengaluru City. The Chief patrons of the college **Dr. A Prabhakara Reddy, Chairman** of the institute is a great scholar and Doctor by Profession and **Er. V Krishna Reddy, Secretary** of the institute and **Class I Contractor** in Civil Engineer. **Dr. Sreerama Reddy G M, Principal** of the college are supporting in all respects and working for further up liftment of the rural college by allowing the Department to conduct various activities.

About the Department

The Department of Civil Engineering established in the year 2009 with an initial intake of 60 and later enhanced to 120 in the year 2014-15 and headed by **Dr. Shivaraju R**. The department is equipped with well-established laboratories and classrooms with highly qualified faculty. The FCE of the department is an active & vibrant platform by conducting various activities viz., Seminars, Conferences, Workshops, Industrial visits and student symposium. In addition, the department has Consultancy Cell, offering services for Third Party Inspection and material testing to cater the needs of PWD, Municipal authorities, local bodies and construction industries. The department has MOU with reputed organizations. The department has established Centre for Research Project in which a VTU sponsored research on Geo-Environmental Engineering under the supervision of **Dr. Shivaraju R** as Principal Investigator. All the faculties are dedicated and actively involved in academic, research and consultancy activities.
