

C BYREGOWDA INSTITUTE OF TECHNOLOGY, KOLAR

Industry Institute Interaction Cell

To strengthen the relationship between industry and our institute, the Industry-Institution Interaction Cell was established in the year 2021 which provides an excellent platform for both the students as well as the faculty members to be aware of industry expectations from the graduates. The blooming engineers need the exposure to Industry and understand the Corporate Culture for their Placements in different Multi-National Companies. Towards up scaling the academia in the Global knowledge index, enough industrial exposure is provided to the faculty members to enhance the Teaching Learning Process and enable the Institution to produce quality students in turn.

Objectives of Industry Institute Interaction Cell

- To give industrial exposure to Faculty members and students, thus enabling them to tune their knowledge to cope with the industrial culture
- To assist the Departments in organizing workshops, conferences and symposia with joint participation of the industries.
- Encouraging Engineers from industries to visit institution to deliver lectures
- Participation of experts from industries, in curriculum development
- To organize industrial visits for Faculty members and students
- To encourage Faculty members to use their expertise in solving the problems faced by the industries, thus creating opportunity for consultancy
- Industrial testing by Faculty and technician at site, or in laboratory
- To organize in-plant training for the students.
- To identify the areas for executive development programs in the areas of recent technological advances
- To assist the Departments in establishing rapport with industries for taking up mini projects and projects
- To coordinate/ identify industrial partners for proposing 'Centre for Excellence'.
- To strengthen Alumni relations
- To assist the Training and Placement Division
- Visit of industry executives and practicing engineers to the institute for seeing research work and laboratories
- Memorandum of Understanding between the institute and industries to bring the two sides emotionally and strategically closer
- Visiting faculty from industries
