M-2 Develop Professional skills and attitude through distinctive teaching and training methodologies among students and faculty

M-3 Nurture, in particular rural students through interactions with Academia, Industry and Alumni, in turn create employment opportunities

## **DEPARTMENT OF MECHANICAL ENGINEERING**

### **VISION**

To establish as one of the leading departments to produce responsible professionals with quality teaching, training and research

### **MISSION**

1. To disseminate strong subject knowledge with an emphasis on practical approach.
2. To train the students to overcome the challenges they come across in their profession.
