C Byregowda Institute of Technology - Overview

C. Byregowda Institute of Technology (CBIT), Kolar, was established in 2009 by the C. Byregowda Educational and Cultural Trust. Named in memory of the late Sri C. Byregowda, a prominent visionary and former Agriculture Minister of Karnataka, the institution was founded with a mission to deliver high-quality technical education to students from both rural and urban backgrounds. The college is affiliated with Visvesvaraya Technological University (VTU), Belagavi, and is approved by the AICTE, New Delhi.

The campus is spread across a serene, lush green 18-acre landscape located on the Kolar-Srinivaspur Main Road, approximately 5 km from Kolar city and 60 km from Bengaluru. This strategic location provides a quiet environment conducive to academic focus while maintaining proximity to major industrial hubs for internship and career opportunities. As of 2026, the institute offers a range of undergraduate (B.E.) programs in fields such as Computer Science Engineering, Artificial Intelligence and Machine Learning, Electronics and Communication, Civil Engineering and Mechanical Engineering, Computer Engineering, Information Science Engineering.

Scope of the Conference
